

Title I Information

Please complete your Family Household Survey as soon as possible.

This will help us keep our Title I status.

What's Title I?

Title I is a government program that gives money to schools so that all children can receive a fair, equal, and high-quality education. Schools receive Title I funds IF at least **47.2%** of the students at the school qualify for free or reduced lunch.

Requirements for a Title I School:

- **Comprehensive Needs Assessment (CNA)**
 - **What is a CNA?** A CNA is an analysis the school completes to understand their strengths and challenges and identifies their needs for improvement.
- **Title I Schoolwide Plan**
 - **What is the Title I Schoolwide Plan?** Our school writes out a plan every year to outline how we will improve student achievement based on our findings in our CNA.
- **Fiscal Requirements Form (FRF)**
 - **What is an FRF?** The Fiscal Requirements Form is an outline of how our school will spend their Title I funds. It is aligned to our CNA and Schoolwide Plan.
- **Parent and Family Engagement**
 - **What does Family Engagement Look Like?** Families are always encouraged to be involved in their child's education which improves their performance at school.

We welcome our families to get involved!

Reading with your child and playing educational games at home helps build their skills and knowledge and is a great way to build a better relationship with your child. We also ask for your participation in parent activities when they are conducted.

How does Title I funds help our school?

Ka'a'awa Elementary uses Title I funds to purchase computers and equipment for classrooms, reading materials for our students and professional development opportunities for our teachers.
